

HAVE YOUR SAY: Swaby Gardens Playground Development

Option 1. The main item is a ship-themed multi-play with ropes, nets, lookout towers and a slide. It has something for all ages and abilities.

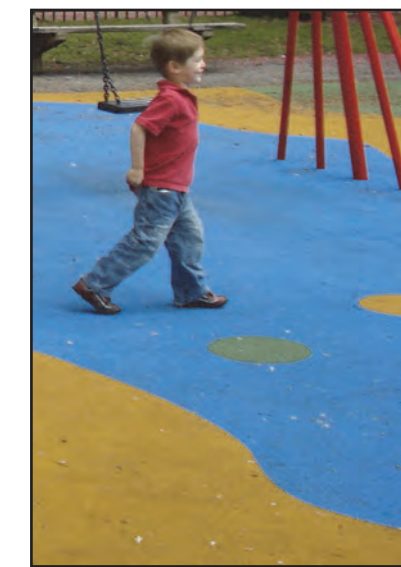

Existing springie relocated

Existing roundabout relocated

Artificial grass

Rubber wet pour

Existing toddler climber relocated

The proposal is to relocate the toddler equipment adjacent to the junior area.

The new Golden Ghost climbing frame is suitable for ages 6-14 with a range of challenges, including a crow's nest.

The new triple bay swing frame incorporates junior and toddler seats and a basket swing.

Items have been chosen to offer inclusive play opportunities.

Whilst wet pour is a suitable surface under the swings, artificial safety grass has been proposed under the rest of the play equipment.
