Facility Hire - Conditions of Use

We set out below for your information the conditions that regulate the hire of the Council's Sports Facilities. The conditions are designed to protect both your interests and the Council's facilities. Please contact Enable Leisure and Sport at bsc@enablelc.org or telephone 020 3959 0050 if you have any queries or would like further information on any of the terms.

- 1. Applications and Bookings:** Applications to hire the facilities must be made a minimum of 28 days prior to the first booking date. However, it is advisable to book as early as possible. All hirers must sign a Leisure and Sport Services booking form to confirm they have read and agree to all Leisure and Sport Services Terms and Conditions.
- 2. Charges:** When hiring a facility, the scale of charges is for the exclusive use for the specific area hired and associated equipment together with PA system, where fitted, and does not include exclusive use of changing facilities. The hirer will be charged for provision of any additional seating or equipment that is not normally kept on the site. Tournaments are subject to additional charges to cover additional staffing, preparation and rubbish clearance.
- 3. Payments:** The full fee must be paid 14 days prior to the period of hire for the booking to be confirmed. If payment is not received within this timescale it will be assumed that the booking is no longer required and may be **re-let**. Once payment has been made a receipt will be issued to confirm your booking.
