

Battersea Sports Centre Holiday Programme Consent Form - Renew Form date (1 year)

The staff at **Battersea Sports Centre** would like to welcome your child on our holiday programme. Our programme aims to offer a variety of activities suitable for all children of the designated age group. To ensure their time here is as safe and fun as possible please read through the following information prior to booking.

Food/Drink/Attire

All children must bring packed lunch with them as under no circumstance will the centre provide lunch for children or allow them to leave the premises during lunch break. Please dress your child in suitable attire and if the weather appears to be hot please provide your child with sun block and appropriate clothing as they may spend some time outdoors.

Contact Numbers

When signing your child in please provide us with a current contact number. It is essential that you or another parent/guardian can be contacted at any point throughout the day.

Refunds and Transfers

Refunds will only be issued where a child is unable to attend the programme due to injury or illness; in all cases a doctor's certificate is required. Bookings are not date transferrable, as spaces are limited and by booking you have reserved a slot that could be assigned to another child.

Drop Off and Pick Up

Children should be dropped off at the centre no earlier than the registration time stated. When signing your child in please ensure that you provide the name of the collector on the register and leave a password that they will be required to use. Children will not be allowed to leave with anyone else and will not be allowed to leave on their own unless previously stated on this form.

Behaviour and Incidents

Both good and bad behaviour will be logged by staff and parents informed of this on collection. Although we strive to accommodate all types of behaviour any child who is repeated in the log for bad behaviour (or if a single case is severe enough) will be removed from the programme and parents contacted to collect them immediately, where it will then be the managers discretion whether the child will be banned from the programme altogether.
