Introduction

Over the years many families have found that a memorial, placed at Putney Vale gives them a focal point to remember their loved ones. We have a range of memorials within the beautiful gardens of remembrance and within the main building offering a varied choice, from a simple memorial plaque to an option to place the cremated remains with an inscribed tablet.

Memorials are provided on a lease which is renewable annually or every seven years.

How to place an order

Order forms are available on our website, putneyvale.org or you may wish to visit the office in person to discuss your requirements with a member of staff. You do not need an appointment. Opening times are advertised on the website.

Annual memorial service

Putney Vale holds its service of thanksgiving and remembrance on the second Sunday of September each year. The service is held in the open with a band providing accompaniment to hymns and it is led by a local minister, often with other faiths being represented.

The service starts at 2pm and is open to all with light refreshments served afterwards. Many families find solace in the service and return year after year.

Please visit our website nearer the time for additional information.
Donations

You may not feel the need to sponsor a memorial for your loved one but may wish to contribute to our donation fund.

Over many years families have contributed to this fund which has helped us to purchase floral displays for the chapels, public benches around the grounds, replace seat coverings in the chapels and other enhancements around the crematorium building. Your kind donation will help us to continue to enhance the service we offer to families for many years to come.

You can donate by contacting or visiting the office.
