

# Sites of Importance for Nature Conservation: Battersea Power Station \*

## Habitat survey findings

London Borough of Wandsworth survey 1999 © Crown copyright and database rights 2020 Ordnance Survey 100019270

## Priority species recorded on the site

From GiGL database, May 2020. Only records from last ten years are included. Confidential records not shown.

| Common Name                             | Taxon Name                        | Most Recent Record |
|---|-----------------------------------|--------------------|
| <b>Amphibians</b>                       |                                   |                    |
| No records received in last ten years** |                                   |                    |
| <b>Birds</b>                            |                                   |                    |
| Common Tern                             | <i>Sterna hirundo</i>             | 2012               |
| Gadwall                                 | <i>Anas strepera</i>              | 2011               |
| Grey Heron                              | <i>Ardea cinerea</i>              | 2011               |
| Grey Wagtail                            | <i>Motacilla cinerea</i>          | 2012               |
| Herring Gull                            | <i>Larus argentatus</i>           | 2011               |
| House Martin                            | <i>Delichon urbicum</i>           | 2012               |
| Kestrel                                 | <i>Falco tinnunculus</i>          | 2010               |
| Lesser Black-backed Gull                | <i>Larus fuscus</i>               | 2011               |
| Linnet                                  | <i>Linaria cannabina</i>          | 2011               |
| Meadow Pipit                            | <i>Anthus pratensis</i>           | 2011               |
| Scaup                                   | <i>Aythya marila</i>              | 2011               |
| Shelduck                                | <i>Tadorna tadorna</i>            | 2012               |
| Starling                                | <i>Sturnus vulgaris</i>           | 2013               |
| Stock Dove                              | <i>Columba oenas</i>              | 2012               |
| Swallow                                 | <i>Hirundo rustica</i>            | 2011               |
| Swift                                   | <i>Apus apus</i>                  | 2012               |
| Yellow Wagtail                          | <i>Motacilla flava</i>            | 2012               |
| <b>Fish</b>                             |                                   |                    |
| No records received in last ten years** |                                   |                    |
| <b>Fungi</b>                            |                                   |                    |
| No records received in last ten years** |                                   |                    |
| <b>Invertebrates</b>                    |                                   |                    |
| Marbled White                           | <i>Melanargia galathea serena</i> | 2016               |
| <b>Plants</b>                           |                                   |                    |
| No records received in last ten years** |                                   |                    |
| <b>Mammals</b>                          |                                   |                    |
| Nathusius's Pipistrelle                 | <i>Pipistrellus nathusii</i>      | 2011               |
| Noctule Bat                             | <i>Nyctalus noctula</i>           | 2011               |
| Pipistrelle                             | <i>Pipistrellus pipistrellus</i>  | 2011               |
| Soprano Pipistrelle                     | <i>Pipistrellus pygmaeus</i>      | 2011               |
| <b>Reptiles</b>                         |                                   |                    |
| No records received in last ten years** |                                   |                    |
