Our Programme

Our School Sports Coaching Programme has been developed to help schools in South West London achieve high quality physical education and school sport provision that encourages an active lifestyle.

Our goal is to create a positive learning experience through physical activity to inspire and motivate young people to be active for life. We will:

- Deliver bespoke coaching to each school’s needs
- Work with staff and pupils to ensure that a high quality service is provided
- Support those children less active whilst still challenging those children who excel
- Enthuse children in a wide variety of sports
- Support school’s in overcoming any barriers that may prevent good physical activity
- Offer guidance and signposting to sports clubs in the community

What we offer

- PE curriculum provision
- Breakfast and afterschool clubs
- Active Lunchtimes
- Continual professional development for Teachers

Sports

We have a variety of sports on offer including: Multi-skills, netball, football, cricket, basketball, dodgeball, kids Zumba, gymnastics and many more sports tailored to the needs of the school.

Our coaches

Our coaching team are all fully qualified and enhanced DBS checked. This is partnered with passionate leadership and expert skills to bring your students inspiring sessions which make a lasting difference.
